# BECOME A PHARMACY TECHNICIAN IN JUST 7 MONTHS!

Train to assist the pharmacist in preparing and mixing prescriptions, maintaining patient records, purchasing and inventory management, billing and reimbursement, and more. Topics include: pharmacology for technicians, pharmacy law and regulations, sterile and non-sterile compounding, quality assurance, and medication safety.

The pharmacy technician program includes a 120-hour externship, where the student will receive hands-on training in a local pharmacy under the direction of a pharmacist. This program prepares students to sit for the PTCE and/or ExCPT exams (not included in fees) and meets the training requirements for licensure by the California Board of Pharmacy.
