

District-wide Counseling and Advising

January 19, 2021

9:00 – 10:00

Zoom

Agenda

Mission:

As partners in education, we are committed to student success. We provide information, support and guidance to assist each student in the developmental process of becoming responsible, self-directed, self-sufficient learners.

The purpose of Counseling and Advising is to provide information, support, and guidance to all potential and enrolled students regarding the matriculation process, support services, and "successful student" qualities.

Preparation Required:

None
