Fall 2020 transfer related dates, deadlines, and virtual events.docx;

Dear Colleagues,

Attached is this semester's current Fall 2020 transfer related dates, deadlines, and virtual events. Please share it on your canvas pages or with the students you encounter who may find this information helpful for their transfer planning. This new virtual lifestyle has generated some great transfer related opportunities, events, and university outreach that wasn't previously available to California's northernmost Community College students.

New events seem to be popping up frequently, so this information will soon be posted and updated on CR's [Transfer page](#), events calendar, and sent to CR student emails.
