1.0	Biology Updates – Wendy Riggs	<ul style="list-style-type: none">• There are many confusing features of the fall and summer schedule, please be sure to look at the comments.• All face-to-face courses are more accurately hybrid.• Feel free to reach out or send students to Wendy to help answer questions.• They are currently updating curriculum so that BIOL 3 is a prerequisite for BIOL 6 and 7. That will encourage students to take BIOL 3 instead of BIOL 1.• There is a long term interest in creating a single course that would meet the BIOL and CHEM pre-requisite for nursing students.
2.0	Native Student Pathways – HSU Counselors: Leo Canez and Adrienne Colegrove-Raymond	<ul style="list-style-type: none">• Adrienne- Indian Tribal and Educational Personnel Program. They support nNative students on campus and work with local tribes.• What are the challenges facing Native students? Oppressive educational system, invisibility, lack of culturally responsive advising, responsibilities (outside of school), and technology.• Leo - HSU has made a commitment to establish and build relationships with Native communities statewide.• Tribal resources for students vary significantly. There is considerable diversity within the community.• There are aloto of Native students in the CR service areas. HSU team is happy to share resources and collaborate.
3.0	Document Sharing – where would we like meeting documents to live?	<ul style="list-style-type: none">• This will be discussed at our next meeting.
