Subject: updated CR and HSU articulation spreadsheet per Gleave knowledge

Hi everyone,

The attached spreadsheet is an update to the version Angelina had received from Rock back in mid-September.

- I have inputted and highlighted in green the new articulations that have been HSU approved since September.
- I have highlighted in Gold those requests that were made in Sept but are still awaiting HSU approval or denial.

In addition to the gold highlighted requests, below are courses requested for articulation review back in September that CR has not yet received approval or denial on. There was not a location on the attached spreadsheet to highlight these courses:

- CR HIST-20 for HSU HIST-104
- CR HIST-21 for HSU HIST-105
- FNR-52 and FNR-54 as stand-alone articulations for HSU FOR-210
- ECE-2 Child Growth and Development for HSU CE-255
- ANTH 3H- Introduction to Cultural Anthropology HONORS for HSU ANTH-104

Please let me know if you need me to resend the course outlines for any/all of these courses.

As CR completes its fall semester curriculum committee meetings I will forward any new articulation requests that CR faculty have identified.

Thank you.
