

# Associate Degree for Transfer

This joint transfer program from the California Community Colleges and the California State Universities makes it easier for students like you to transfer between the two school systems. Community college students who complete an AA-T or AS-T will be guaranteed admission to the California State University (CSU) system. With an Associate Degree for Transfer, you have the opportunity to complete two degrees with only 120 units if you apply and are admitted into a similar degree program. Through this program, students who complete an AA-T or AS-T will be given a special GPA advantage when applying to CSU impacted campuses or majors.

Students with an AA-T or AS-T enter the CSU system with junior standing. Students who are admitted to a program that has been deemed similar will need only 60 more semester units (or 90 quarter units) to complete a bachelor's degree.
