Hello,

Philip Mancus has identified the following people to participate in a pilot this semester.

Associate Deans - Justine Shaw, Diqui LaPenta, Peter Blakemore

Faculty – Philip Mancus, Shannon Sullivan, Cindy Hooper, Erik Kramer

Can you let me know if additional administrators would like to participate in the pilot?

I'd like to bring together the administrators and especially the Associate Deans to go over the following training materials. It looks like most of us could meet M-TH at 10 am. I'll send out a doodle as soon as I know who all to invite.

I've assigned the role of Division Coordinator to the Associate Deans and I have assigned those involved in the pilot the Department Coordinator role for their department. Stephanie has also mapped the CLOs to PLOs using the old maps. She's only done that for the programs that I've been told are participating in the pilot. Let me know if she needs to map additional programs.

Here are the tutorials with (parentheses) to indicate the roles needing to carry out each.
