

April 1, 2019

Dear Digital Media Student:

This letter is to inform you that you have been identified as a student who is currently active in Digital Media at College of the Redwoods.

College of the Redwoods will be inactivating the Digital Media Associate of Science Degree and the Certificate of Achievement effective at the end of the Spring 2019 semester. College of the Redwoods will have limited course offerings in the Fall of 2019 and the Spring of 2020 for students who are close to degree or certificate completion. Those courses are:

**Fall 2019**

DM-10-Digital Storytelling                      DM-23-Motion Graphics                      DM-7-Intro to Game Development  
 DM-15-Pre-Production                      DM-22-Digital Publishing

**Spring 2020**

DM-30-Interactive Media                      DM-56-Video Production                      DM-20-Media Development for the Web  
 DM-70-Introduction to Photoshop

While the Digital Media Associate of Science Degree and the Certificate of Achievement will be inactivated, the college is endeavoring to offer much of the Digital Media content under the Art course prefix, where appropriate. Additionally, Digital Media students may currently seek course substitutions for a variety of Digital Media classes in order to facilitate DM degree and certificate completion. (See chart below.)
