Can be tailored to your needs</li><li>- Joe brought up Alia needing assistance, and asked the committee to reach out to Alia and provide guidance.</li><li>- Brady brought up confusion on closing loops. Philip stated- He sent out steps in email this morning with instructions. Do not go back to original report. When you select that service area it will show up in box C. In order to close the loop conduct a new assessment and report on the new assessment. In box D reflect on actions of closing the loop. Once box D is filled in and you select save and exit. The loop is officially closed.</li><li>- Can the student services timeline be adjusted to allow more time after the semester ends? For the most recent data to be accounted for. Currently reporting period closes in May.</li><li>- Philip will look into options to see if there is a better way of doing this. Right now, plan assessments for what is most authentic and meaningful, but to remember that you can report and file in other reporting cycles by contacting Philip and Paul. Maybe summer can be included as an option.</li><li>- There is a task force forming to look in to new reporting software.</li></ul></li></ul>
