Hi Julia,

We will be submitting all the audits today and tomorrow to the chancellors office and all other required organizations for 2019-20. This includes the following:

- Chancellor's Office
- California Department of Education
- State Department of Social Services
- Accrediting Commission for Community and Junior Colleges
- State Controller's Office
- Federal Audit Clearinghouse

The only one we cannot submit to is the US Department of Education EZ Audit. That must be done by the District.

Regards,
