Mark and Kirt are 126 – Network Administrators

Michael Murphy is filling one of the new SSS II positions. He reports to Rianne.

Gary Ronne is filling the other new SSS II position. He reports to Tiffany.

Hi Tina,

Did Michael Murphy move to one of the two new SSS II FA positions?
Also, are Mark and Kirt supposed to be at the same range (127) as Jose in the “Lead” Network Administrator positions?

Thanks,

Julia

Hi, Julia.

I highlighted the changes I could see. I also highlighted the laid off people that are gone (just for HR purposes)

Please let me know if you have any questions.

Thank you!

Tina
