Hi, Taryn.

Absolutely! I will be off most of tomorrow and on Friday, but I will add this to my to-do list on Monday.

Thank you.

Tina

Subject: Position Inventory

Hi Tina,

I was wondering if you could take a look at the position inventory again. Could highlight the “open” positions you don’t think should be open and also let me know if you think there are any open positions missing?

No rush on this, I appreciate your help!

Thank you,
