Julia,

will not hire them in 2021-22. Although I am sure we will hire at least two faculty positions in 2022-23 I cannot answer to whether we would hire those specific positions will be approved for hire in 2022-23. We need to have the faculty prioritization process work its magic first. We will determine if the general fund budget will support more than two positions next fall.

Let's make sure the position inventory is cleaned up.

Additionally, Kerry, we eliminated Dave's Dean SHAPE position and used his salary and benefits for the Vice President of Student Services position. This information may come in handy for your CRFO discussion on May 24.

Kerry,

When you get a chance, would you please confirm that we are not hiring the faculty positions highlighted in yellow?

Keith

Good morning Keith and Kerry,

I was hoping I could get you to review the position inventory, especially the Faculty and Non-Teaching Faculty work sheets, so that we can have Taryn make updates before I load this salary and benefit information into the Tentative Budget.

Thanks,

Julia
