10 am – 11 am Zoom: https://redwoods-edu.zoom.us/j/7877041815?pwd=SXFHd3JQNUdGUGVks2hrQ1hVdjl5QT09	Using CidiLabs Multi-Tool to Organize Your Online Class Faculty now have access to a set of tools that can help you organize your Canvas course shell. The Multi-Tool has a template page tool for creating home and template pages. The module builder sets up your module pattern and can even create all associated activities (quizzes, assignments, discussions, and pages) in one step. Even better, the due date modifier lets you manage assignment dates from a single screen, saving you tons of time. In this session, we'll walk you through some key ways you can use this tool to make your course prep more efficient. (Can't wait for the session? Check out this quick video from CidiLabs, and get started!)	Reno Giovannetti, Melody Jensen, Wendy Riggs

2 pm – 3 pm Zoom: https://redwoods-edu.zoom.us/j/7877041815?pwd=SXFHd3JQNUdGUGVks2hrQ1hVdjl5QT09	Using CidiLabs Design Tools <i>(for experienced Canvas users)</i> In this session, we'll show you how to access a very robust set of design tools to help you easily add some exciting design elements your Canvas shell. We'll walk through some basic things you can do to your Canvas pages. You probably want to have some understanding of HTML for this session, so it really is for more advanced Canvas users. If you are curious, check out this video . And if you really can't wait to get started (and are comfortable learning by exploring), just hit the following shortcut to access the tools when you're editing a Canvas page: ALT-SHIFT-D. Since then, it has served as the support hub for dedicated CR faculty who've been asked to teach their classes online. In fall 2021, the DE team (led by part time instructional designer Melody Jensen) began a <i>Keep Teaching</i> redesign. While it continues to be a work in progress, we're excited to give you a tour of <i>Keep Teaching 2.0</i>.</p>	<p>Reno Giovannetti, Melody Jensen, Wendy Riggs</p>
