

Board of Trustees Meeting, May 7th, 2024

Student Trustee Report on ASCR Meetings from
by Sybil Godfrey

SSCCC 2024 General Assembly

Nine ASCR members attended the SSSCC general assembly and voted on guiding resolutions for the SSSCC and the SSSCC state officer elections.

Within the regional elections three senate members were elected to region 1 officer positions, as follows:

Sybil Godfrey as region 1 Regional Affairs Director

Cristopher Wilson as region 1 Vice President of Legislative Affairs

Caitlin Wheatley as region 1 Vice President of Communications.

ASCR Elections.

The ASCR elections have concluded with 112 votes submitted.

Those elected by the general election are as follows:

President Sybil Godfrey

Executive Vice President: Ishwar Sharma

Vice President of Finances: Danny Jimenez

Vice President of Records: Madison Servideo

Vice President of Communications: Melinda Wallace-Ochoa

Vice President of Events: Caitlin Wheatley

InterClub Council Chair: Christopher Wilson

Eureka Campus Senator: Stephanie Byrd

Eureka Campus Senator: Irashaka Flood (Pending Confirmation)

Eureka Campus Senator: Bryce Rowely

Klamath Trinity Campus Senator: Chwakin Latham

Klamath Trinity Campus Senator: Lacey McKinnon

There was a tie amongst the two highest voted applicants for student trustee, thus a runoff election was held for that position that concluded yesterday, May 6th, 2024 with a total of 42 votes submitted the following student was elected:

Student Trustee: Leslie Benitez (Pending Confirmation)

Spring Week Events

The ASCR funded spring week events were a major success. In total more than 400 students participated according to sign in sheets.

The field day was the largest of the events, with public safety and campus PD grilling hot dogs for students, field day games across the field, a dunk tank, and many food options ranging from cotton candy to shaved ice.

The ASCR would like to extend its greatest gratitude to the many staff and faculty that volunteered at various stations at the events and helped with set up throughout the week, with an especially large thank you to all the coaches, administrative staff, and campus PD who volunteered to be in the dunk tank.

A video posted on ASCR official instagram page about the event has gotten more than 4,000 views and in wake of the event the instagram page has gotten 50 new follows, showing larger student engagement with ASCR's online presence

LRC Laptop

The ASCR was informed that more than 20 of the laptops that the LRC had to check out to students had been damaged and could no longer be used.

VP of Records Gabriel Brooks brought this to the attention of the senate and the ASCR has moved to fund more than \$25,000 for the purchase of 20 laptops for the LRC to be able to check out to students in need.

ASCR Constitution and Bylaws

Having seen a need for greater support for campus clubs and seeing the difficulty and workload of the Executive Organizational Senator position with having duties related to all clubs and all ASCR events, the ASCR has amended its constitution and bylaws to split the position into two:

Vice President of Events, who will lead the events committee and aid in the creation and executive of ASCR events.

InterCLub Council Chair: who will chair monthly meetings of the interclub council and be a point of contact for club members and advisors.

Kt Campus Beautification

The ASCR has funded more than \$18,000 for campus beautification projects at the Klamath Trinity Campus. This included tree removal, drain repair, tree trimming, and various landscaping.

Hupa-1A and 1B Informational Session

The ASCR had funded \$600 for a Hupa Language informational session/finals party on May 2nd with discussion led by Danny Ammon and food for all attendees. The event was a large success with many students showing appreciation.

The ASCR would like to thank its graduating Klamath Trinity Campus Senator Stephanie McKindley for all her hard work throughout the year in advocating for her campus, including on this event and the KT campus beautification.
