

## Accessing CR's Internal Website ...

# inside.redwoods.edu

The screenshot shows the homepage of the College of the Redwoods Internal Website. At the top left is the College of the Redwoods logo, a stylized 'CR' in red. To its right, the text 'College of the Redwoods' is displayed in a serif font, with the campuses listed below: 'Arcata - Del Norte - Eureka - Eureka Downtown - Klamath-Trinity - Mendocino Coast'. Below the header is a navigation bar with a search box and a 'Go' button. The main content area is titled 'College of the Redwoods Internal Website' and includes a welcome message: 'Welcome to CR's Intranet, items available on these pages (inside.redwoods.edu) are only available to individuals with valid accounts at College of the Redwoods. Please use the links below for navigation.' A central box labeled 'Internal Websites' contains a grid of links: Learning and Student Development, Assessment and Program Review, College Communications, Curriculum, Institutional Effectiveness Committee, Human Resources, Institutional Research, Integrated Planning Model, Strategic Planning, and MIS Information. At the bottom of the page, there is a footer with copyright information, contact details, and an accessibility report link.

As the links and pages on this site are expanded, this site will increasingly become a “one-stop” source of information related to planning and institutional effectiveness.

Access to inside.redwoods.edu is restricted to CR employees. When you attempt to access this site, you will be prompted to enter your username and password.

The same user name and password you use to log in to your district computer or your district webmail may also be used to log in to inside.redwoods.edu.

For most people, the username is simply your e-mail address. However, those people on the Eureka Campus that have accounts in the Backbone domain will need to use backbone\firstname-lastname as the username (note the backslash, as opposed to a forward slash, between backbone and the first name).

Once you are logged in, you will remain logged in until you close your browser.
