• Area of emphasis	3 to 4 units
• GE and/or elective course	3 to 6 units
Total units:	12.5 to 15.5 units

**Please Be Advised:**

We highly recommend a computer course (**CIS 100 or CIS 1**) in your first semester of college. You will be expected to be well versed in office software and basic digital media throughout your coursework. One or both of these classes would be highly beneficial.
