

Summer/Fall, 2009

Dear Prospective Resident,

We have been notified that construction for the new Student Services/Administrative Building will begin earlier than expected. The construction will necessitate taking the Residence Halls' lower parking area out of service, fencing off the fields in front of the Residence Halls, and possibly disrupting the early morning quiet hours.

We understand that some individuals may feel that these inconveniences are too great and may not want a Residence Halls contract with this information. If with this information you would still like a Residence Halls contract indicate that by initialing and signing this form below.
