PREQUALIFICATION OF PROSPECTIVE BIDDERS

CREATIVE ARTS BUILDING ESTIMATED ABOVE \$18,000,000

COLLEGE OF THE REDWOODS EUREKA MAIN CAMPUS

June 7, 2021

NOTICE IS HEREBY GIVEN that the Redwoods Community College District, acting by and through its Governing Board, ("District") will receive sealed General Contractors Prequalification Applications for the CREATIVE ARTS BUILDING project.

The District will not open bids for the Project above from bidders who were not prequalified by the District's Prequalification team. Bid documents for the Project are expected to be released on or about August 12, 2021. In order to Prequalify to Bid, the Bidder shall return this fully completed Application on or before the deadline set forth at the Notice to Contractors. The Bidder shall submit the complete Prequalification Application package in accordance with the information below:

College of the Redwoods
7351 Tompkins Hill Rd, Eureka, CA 95501
Attention: Julia Morrison - Vice President, Administrative Services
CREATIVE ARTS BUILDING

All Bidders on this Project must be Prequalified prior to submitting a Bid. Prequalification Applications are required to be submitted to the District **prior to 2:00PM**, **July 8, 2021**, on a clock designated by the District as the official clock. The District is not responsible for ANY DELAY on receipt of submittals through any common carrier or other means of transmission. Faxed submittals are NOT acceptable. Bidders deemed by the District as Prequalified to bid on this Project shall be notified within seven (7) calendar days after the submission deadline for Prequalification Applications.

The District reserves the right to cancel this Prequalification in its entirety at any time, and to cancel this Prequalification and resolicit new Applications with revised evaluation and scoring criteria. The District also

reserves its right to cancel this Prequalification process and Bid the project with competition open to all responsive and responsible Bidders if the District determines this is in its best interests. The District shall not be liable to the applicants for the applicants' cost of responding to the Prequalification nor for any other damages occasioned by such cancellation. If this Prequalification is canceled after the Prequalification Application due date, the Applications will be returned to the applicants and no scoring results will be published.

This is a project-specific prequalification. Successful prequalification for earlier projects with the District will not substitute for applying for this project. Annual UPCCAA Prequalification with the District also will not substitute for applying for this project.

SECTION 1 NOTICE TO CONTRACTORS

Redwoods Community College District (District) in accordance with Public Contract Code Section 20651.5, hereby solicits Prequalification Applications from General Contracting firms, "Contractors". The Project subject to Prequalification is referred to as the "CREATIVE ARTS BUILDING", located at 7351 Tompkins Hill Rd, Eureka, CA 95501.

The College of the Redwoods Creative Arts Building project consists of abatement and demolition of an existing Creative Arts Building and the construction of (4) new one story, wood framed buildings (comprised of 5 separate structures), utilities, storm drain, landscape, irrigation & other site development. Interior alterations to an existing boiler room that is part of the Physical Education Building, and other Work indicated in the Contract Documents.

Bid documents for construction are expected to be released on or about August 12, 2021.

- 1. Submittal of Prequalification Application. All Prequalification Applications shall be submitted on or before the date/time set forth above on District forms which may be obtained from the District's Purchasing Website link: https://www.redwoods.edu/businessoffice/Purchasing. Contractors are solely responsible for timely obtaining and submitting the Prequalification Application. Failure to submit a completed Prequalification Application on or prior to the date and time noted above may render the Prequalification Application to be non-responsive and therefore may be rejected. The District's determination of whether a Bidder has been deemed a "Qualified Bidder" as a result of the Prequalification process is final. Appeal of such a determination is limited to the procedures set forth in this Prequalification Application package based on Public Contract Code Section 20101.
- 2. Cancelation of Prequalification. The District reserves the right to cancel this Prequalification in its entirety at any time and to re-solicit new Prequalification Applications with revised evaluation and scoring criteria. The District also reserves its right to cancel this Prequalification process and Bid the project with competition open to all responsive and responsible Bidders if the District determines this is in its best interests. The District shall not be liable to the applicants for the applicants' cost of responding to the Prequalification nor for any other damages occasioned by such cancellation. If this Prequalification is canceled after the Prequalification Application due date, the Applications will be returned to the applicants and no scoring results will be published.

SECTION 2 PREQUALIFICATION APPLICATION

TO: CONTRACTORS

Redwoods Community College District ("District") intends to solicit General Contracting firms ("Contractor") Bids for construction of the Project referred to as Creative Arts Building.

The Creative Arts Building project consists of abatement and demolition of an existing Creative Arts Building and the construction of (4) new one story, wood framed buildings (comprised of 5 separate structures), utilities, storm drain, landscape, irrigation & other site development. Interior alterations to an existing boiler room that is part of the Physical Education Building, and other Work indicated in the Contract Documents.

As a condition of bidding on the Project and in accordance with the provisions of California Public Contract Code § 20101, the District requires that prospective bidders be Prequalified by the District prior to submitting a Bid on the Project. It is mandatory that all Contractors who intend to submit a Bid, fully complete the Prequalification Application, provide all materials requested herein, and be approved by the District to be on the final Prequalified Bidders list. No Bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a Bid as part of a Joint Venture, or expect to submit a Bid as part of a Joint Venture, each member of the Joint Venture must be separately Prequalified to Bid.

PREQUALIFICATION QUESTIONNAIRES ARE DUE PRIOR TO 2:00 PM, JULY 8, 2021.

The District will notify the Applicant if, in the District's finding, the Applicant meets the District's Prequalification requirements and may Bid Projects valued at greater than the amount of the Prequalification Application.

1. Prequalification Application

The District requires Contractors to answer to all questions contained in this Application including a complete statement of the prospective Bidder's financial ability and experience in performing public works, and California Division of the State Architect (DSA) projects. These documents will be the basis of rating Contractors to determine whether a Bidder is Prequalified to Bid on this Project.

All Prequalified firms must submit a Validation Form (Section 9) with the Bid package on the date and time Bids are due (not with this application package) certifying that the information contained in the Application has not changed. If the information has changed or the firm's ownership or financial status has changed, the firm must attach a separate sheet attached to the Validation Form with a full explanation. Any new annual financial statements or tax returns published since submittal of the Prequalification Application must also be attached. A copy of the Validation Form is attached hereto in Section 9.

2. Questions Regarding the Prequalification Application.

All questions regarding the Prequalification Application or prequalification process must be submitted **in writing** via email to: Steven-McKenzie@Redwoods.edu.

3. Submission of Completed Application.

One hard copy and one electronic copy on a flash drive of a fully completed Prequalification Application with all required documentation must be submitted to the District in a sealed envelope labeled "CONFIDENTIAL, Prequalification Application" and submitted to:

College of the Redwoods
7351 Tompkins Hill Rd, Eureka, CA 95501
Attention: Julia Morrison - Vice President, Administrative Services
CREATIVE ARTS BUILDING

4. Notarized Statement of Bonding Capacity

The Prequalification Applicant must attach a notarized statement from an admitted surety insurer authorized to issue bonds in the State of California which states the Contractor's current available bonding capacity. The surety must be an admitted surety in the State of California and have an A.M. Best rating of VII A- or better.

5. Notarized Statement of Insurability.

The Prequalification Applicant must attach a notarized statement from a qualified insurer which states the current insurability of Contractor. The Contractor must provide \$5,000,000 per occurrence/\$10,000,000 aggregate in Comprehensive General Liability Insurance. Policies of insurance required of the Contractor will be accepted by the District only if the insurer(s) are all of the following: (a) A.M. Best rated A- or better; (ii) A.M. Best Financial Size Category VII or higher; and (iii) authorized under California law to transact business in the State of California and authorized to issue insurance policies in the State of California. All three requirements must be met in order for your submittals to be deemed responsive to the prequalification process.

6. Prequalification Requirements/Scoring.

To prequalify, each Contractor must meet or exceed the following minimum requirements:

- i) Ability to secure Project performance and payment bonds in the penal sum of **Twenty** Million Dollars (\$20,000,000);
- ii) Provide truthful and acceptable answers to the questions in Section 5, ESSENTIAL REQUIREMENTS FOR QUALIFICATION;
- iii) Achieve a minimum total score of **70 points out of 100** on the scored questions in Section 6, RATING QUESTIONS; and
- iv) Meet all other requirements identified in this Prequalification Application.

Please note that NOT all questions in the questionnaire are rated; some questions simply ask for information about the contractor firm's structure, officers and history. The scoring for all scored questions is set forth immediately below the question.

7. Submittal Requirements and Non-Responsiveness.

Each Prequalification Application submission will consist of the following:

- The completed Prequalification Application Form, Sections 3-8
- A Reviewed or Audited Financial Statement, with a Certificate or Cover Letter from the Accounting Firm that Created the Statement;

- Notarized Statement of Bonding Capacity;
- Notarized Statement of Insurability
- All required attachments for information requested in Sections 5 and 6

Prequalification Application submissions not containing the above-referenced requisite documents, complete with all information required and bearing the signature of the Contractor's duly authorized representative under penalty of perjury may render the Prequalification Application non-responsive and may therefore be rejected. All Contractor information or responses in the Prequalification Application, and other documents accompanying the Prequalification Application, shall be complete, accurate and true. If the District determines that any information provided by a Contractor in the Prequalification Application submission is false or misleading or is incomplete to be false or misleading, the District may reject the Prequalification Application submitted by such Contractor as being non-responsive.

8. Waiver of Irregularities.

The District reserves the right to waive minor irregularities in the information contained in the Prequalification Application submitted, and to make all final determinations.

9. Late Applications.

The District may reject incomplete and/or late Applications. There is no appeal for failure to submit a complete Application or a late Application. The closing time for receiving Prequalification Applications will not be changed to accommodate supplementation of an incomplete submission of an Application, or a late submission of an Application. The closing time for receiving Prequalification Applications may be changed via addendum at District's discretion.

10. Confidentiality.

The completed Prequalification Applications submitted by Contractors are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purpose of verification, investigation of substantial allegations, or in the appeal process. State law requires, however, that the names of Contractors applying for prequalification status shall be subject to disclosure.

11. Notification of Prequalification Results.

Notification of preliminary Prequalification results may be provided as soon as the Prequalification team has evaluated all submissions. This preliminary notification will allow for Contractor appeal, if any. Contractors will be notified by email message of their final Prequalification Status within 14 calendar days after the Prequalification Application deadline, or after all appeals, if any, have been resolved.

12. Post-Bid Determination of Responsibility.

While it is the intent of this Prequalification Application to assist the District in determining Bidder responsibility prior to Bid of Projects in excess of the minimum value on the Application, and to aid the District in selecting the lowest responsive and responsible Bidder, neither the fact of Prequalification, nor any Prequalification Score, will preclude the District from a post-Bid consideration and determination of whether a Bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed Project work, and has demonstrated the requisite trustworthiness.

13. Appeal of Prequalification Rating.

Where a timely and completed Prequalification Application results in a negative Section Five Prequalification finding, or a Section Six score below that necessary to Prequalify, a written Notice of

Appeal may be made by the Contractor. An appeal is begun by the Contractor by delivering such written notice to the Vice President of Administrative Services, for the District stating its intention to appeal of the decision with respect to its Prequalification finding or Prequalification Score, no later than three (3) working days after the District provides notice to Contractor of their preliminary Prequalification finding and score for the Application. The written Notice of Appeal shall set forth in detail all grounds for the appeal, including without limitation all facts, supporting documentation, legal authorities and argument in support of the grounds for the appeal. Any matters not set forth in the written Notice of Appeal shall be deemed invalid. All factual contentions must be supported by competent, admissible and credible evidence.

Unless the Contractor submits a timely Notice of Appeal, the Contractor waives any and all rights to challenge the decision of the District, whether by administrative process, judicial process or any other legal process or proceeding.

The Contractor may request a hearing. If the Contractor gives the required Notice of Appeal and requests a hearing, the hearing shall be conducted so that it is concluded no later than four (4) working days after the District's receipt of the Notice of Appeal. The hearing shall be an informal process conducted by the District Vice President of Administrative Services or Director of Facilities and Planning, or other such person chosen by the District President. Either at or prior to the hearing, the Contractor will be advised of the basis for the District's Prequalification finding and scoring rationale. The Contractor will be given the opportunity to present information and present reasons in opposition to the Prequalification finding and score assigned by the District. Within two (2) working days after the conclusion of the hearing, the District will render a final decision. The District does not intend to delay or postpone the date for the submission and opening of any Bids to allow for completion of an appeal process. Any appeal not conforming to the foregoing shall be rejected by the District as invalid, and any such decision shall be final.

14. Cancelation of Prequalification.

The District reserves the right to cancel this Prequalification in its entirety at any time, and to resolicit new Prequalification Applications with revised evaluation and scoring criteria. The District also reserves its right to cancel this Prequalification process and Bid the Project with competition open to all responsive and responsible Bidders if the District determines this is in its best interests. The District shall not be liable to the applicants for the applicants' cost of responding to the Prequalification nor for any other damages occasioned by such cancellation. If this Prequalification is canceled after the Prequalification Application due date, the Applications will be returned to the applicants and no scoring results will be published.
