Satisfaction with Class Schedule ..... 9

## Student Schedule Survey

## Introduction:

The student schedule survey was constructed to betters assess CR's ability to accommodate classes offerings to meet students needs, better understand students time commitments, assess why students drop or miss classes, and see if CR could improve class offerings or resources that would allow students to take more classes.

## Administration:

- The student schedule survey was administered from May $7^{\text {th }}$ through May $18{ }^{\text {th }}$ and relied on convenient sampling.
- The survey was distributed on the Eureka campus in the Counseling Center, the Library, and the DSPS office.
- The survey data is compiled from a sample (n) of 243 respondents.

## Demographic Information:

Planned Units Taken Fall 2007

Length of Time Left at CR

Discipline Area Respondents Considering a Degree/Certificate

## Age Group

## Schedule Findings:

- $53.7 \%$ of respondent knew how many classes they needed to fill their degree/certificate requirements and $\mathbf{4 6 . 3 \%}$ of respondents did not know how many classes they would need to fulfill their degree/certificate requirements.
- The majority (59.1\%) of respondents liked the current configuration of 3-unit classes ( 2 days a week and $11 / 2$ hour sessions).

Time of Day Preference

3 hours long, 1 day a week 1 and a half hours long, 2 days a week 50 minutes long, 3 days a week
Classes offered partially onlineOnline courses
I have no preference Mix of physicaland online classesOther

- The majority of respondents indicated that late morning (9:30-12:00) classes (54.5\%) and early afternoon (12:00-2:00) classes (32.6\%) were preferred course times

Time

7:30-9:30 $\rightarrow$
9:30-12:00 $\rightarrow$
12:00-2:00 $\rightarrow$
2:00-4:00 $\rightarrow$
4:00-5:30 $\rightarrow$
5:30-7:00 $\rightarrow$
7:00-10:00 $\rightarrow$

## \% of Respondents Who Said This Was a Preferred Time

24.4\%
54.5\%
32.6\%

Saturday
Saturday and
Sunday
$\square$ I have no
preference

- Only $0.4 \%$ of respondents preferred classes on Friday and Saturday, and only $0.4 \%$ of respondents preferred classes on Saturday and Sunday. ${ }^{1}$

[^0]- The majority (70.0\%) of respondents indicated that they liked the current sixteen-week semester.

Duration of Course Length

## Taking More Classes:

- The central change that would lead to respondents taking more classes was increased classes in the respondent's respective field of study (47.9\%).

Students indicated they would take more classes for the following reasons:

| More classes in respondents field of study | $\rightarrow$ | $\mathbf{4 7 . 9 \%}$ |
| :--- | :--- | :--- |
| More general education classes | $\rightarrow$ | $\mathbf{2 7 . 4 \%}$ |
| Less travel time to campus | $\rightarrow$ | $20.5 \%$ |
| Respondents would not take more classes | $\rightarrow$ | $14.1 \%$ |
| Better understanding of requirements | $\rightarrow$ | $13.2 \%$ |

- Fewer than half of the respondents (43.7\%) were not interested in taking online courses. Most respondents who were interested in online courses wanted them to supplement but not completely replace their full class load (see pie chart next page).

## Percentage of Online Courses Respondents Would Consider

Issues that Affect Scheduling:

- Respondents reported that class times conflicting with one another (63.9\%) was the primary issue in the way they schedule classes

Issues Affecting the way Respondents Schedule Classes

| Class times conflicting with one another | $\mathbf{6 3 . 9 \%}$ agreed this affected their scheduling |
| :--- | :--- |
| Work schedule | $\mathbf{5 2 . 5 \%}$ agreed this affected their scheduling |
| Finances | $\mathbf{5 1 . 5 \%}$ agreed this affected their scheduling |
| Family schedules and responsibilities | $\mathbf{4 8 . 1 \%}$ agreed this affected their scheduling |
| Travel time to campus | $\mathbf{4 0 . 4 \%}$ agreed this affected their scheduling |

- Respondents reported that health/relationship/life issues (54.6\%) were the main causes for dropped or missed classes

Reasons for Missed or Dropped Classes

| Health/Relationship/Life issues | $54.6 \%$ agreed this caused dropped $/ \mathrm{missed}$ classes |
| :--- | :--- |
| Family schedules and responsibilities | $40 \%$ agreed this caused dropped $/ \mathrm{missed}$ classes |
| Finances | $38.0 \%$ agreed this caused dropped $/ \mathrm{missed}$ classes |
| Work schedule | $36.3 \%$ agreed this caused dropped $/ \mathrm{missed}$ classes |
| Travel time to campus | $27.8 \%$ agreed this caused dropped $/ \mathrm{missed}$ classes |

## The Class Schedule:

## Respondent Feedback on the Class Schedule

| Appearance: |  |
| :--- | :--- |
| Like the cover of the class schedule | $58 \%$ of respondents agreed |
| Layout: |  |
| The layout is student friendly | $\mathbf{6 7 . 1 \%}$ of respondents agreed |
| Can easily distinguish between courses on different campuses | $\mathbf{6 7 . 4 \%}$ of respondents agreed |
| Content: |  |
| Easy to locate courses | $\mathbf{7 5 . 4 \%}$ of respondents agreed |
| Information about registration is useful | $\mathbf{6 5 . 7 \%}$ of respondents agreed |
| Information about payment is useful | $\mathbf{5 7 . 9 \%}$ of respondents agreed |
| Information about academic policy is useful | $\mathbf{5 5 . 6 \%}$ of respondents agreed |
| General information is useful | $\mathbf{6 0 . 7 \%}$ of respondents agreed |
| General: |  |
| Class schedule is distributed in a timely manner | $\mathbf{5 4 . 7 \%}$ of respondents agreed |
| Class schedule is a helpful guide | $\mathbf{7 1 . 2 \%}$ of respondents agreed |
| Rely on the online version more than the printed version | $\mathbf{4 3 . 3 \%}$ of respondents agreed |
| Overall, I like the class schedule | $\mathbf{5 8 . 5 \%}$ of respondents agreed |

[^0]:    ${ }^{1}$ Given that the distribution of the survey through Eureka campus offices made it most readily available to weekday daytime students, results on the desirability of alternative class hours/days should be treated with caution.
