Valid	all experiences with staff were excellent, which provided me with the easy decision of enrolling into the school and obtaining my academic goals here at CR	1	.2	2.0	2.0
	an essay portion of the assessment test would give counselors a better understanding of students English skills and would place them more accurately. CR should get wifi internet for all students with lap top computers. Martha Roy is amazing. she needs a raise	1	.2	2.0	3.9
	at del norte it took one to two hours standing in line to buy books	1	.2	2.0	5.9

being an older student seems to make me want to work harder and succeed at my goals. i really feel its my time in my life and i really enjoy the challenges in my classes and want to do my best. i enjoy every staff member and teacher, they are very supportive and helpful.

i have been enrolled at CR since 2004 and this year in january i was accepted into kaplan university where they did honor and give me credit for several classes from CR and one from SFSU. I presently have a 4.0 at Kaplan although I am having a rough time with college algebra. i have yet to meet with a counselor regarding credit classes for my AA at CR. i would like a degree from both schools before attending law school

i think it would be helpful for the CR advisors or employees to tell you everything you need to know before the semester. this is especially important for the upcoming freshmen who know almost nothing about CR, things such as, getting books before classes start, or that books will cost you an estimated three hundred dollars or more

1 .2 2.0 39.2

i think that the del norte campus could greatly use a larger book store with more employees. the lines are always too long at the beginning of the semester and it takes about an hour to get two books.

i want to see more musical education in the college at the del norte campus. a choir or a small band group would be nice.

I would appreciate if I could talk to a counselor about everything from financial aid to transferable classes. I am a little overwhelmed on some topics so clarity would be great.

I would like to personally thank Cr and all the faculty for helping me in my pursuit for a higher education. Thanks to all of you, I am achieving greatness. I think if you were to add a forensic department for those who would like to go into forensic science.
